Very cooperative at group work and adapt to the company needs. A confident team member, able to support and lead the group.

With a shaped technical mindset able to defend decisions made, based on logic facts and results. Fast in learning and adapting to the work environment and colleagues. Guided by strong integrity and loyalty principles.

SKILLS & AREAS OF EXPERTISE

- Strong technical and analytical skills in drafting and managing Quality Systems ISO 17025:2017, 14001:2015, 9001:2015, 45001:2018, 22000 & HACCP
- Environmental impact assessment and environmental self-monitoring consultancy
- Technical skills preparing mitigation plans and risk assessment
- Analytical laboratory skills
- Very competent user, of various laboratory equipment
- Competent speaker of 3 Languages; Albanian, Italian & English
- Very good communicator, with an ability to converse with people, across various disciplines
- Full, Clean Driving License

WORK EXPERIENCE

Nov 19 - Present **Quality Assurance Manager – TENUIS LABORATORIES sh.p.k | Food & Pharma Laboratory (part of NOVAL sh.p.k, Pharma company)**

- Ensured compliance with ISO systems 17025 policies and procedures
- Drafted and implemented ISO systems 14001, 45001 and 9001 for a period of six months
- Drafted and implemented, Quality Control Laboratory SOPs, management procedures and programs
- Organized and conducted quality audits
- Drafted and maintained personnel training and competency testing programs
- Drafted and maintained, laboratory equipment calibration program and proficiency testing activities
- Part of the leading team for accreditation of 3000 parameters within a period of 6 months
- Led four audits organised by the General Directorate of Accreditation within a period of 10 months

Jan - Oct 19 **Technical Director / Environmental expert - ECCAT sh.p.k | Consultancy Studio and Environmental Laboratory**

- Managed laboratory activities, operational lab and consultancy team
- Assisted technically for work methods, equipment uses and, techniques the laboratory team
- Ensured compliance with ISO systems 17025:2017 policies and procedures
- Led the audit organised by General Directorate of Accreditation, for the expansion of the accredited parameters to 120
- Led the environmental impact assessment and self-monitoring consultancy team
- Responsible for customer relationships and technical assistance

Sep 15 - Dec 18 **Chemist / Environmental expert - Qendra e Monitorimit te Mjedisit sh.p.k | Consultancy Studio and Environmental Laboratory**

- Conducted environmental on-site sampling and, laboratory analysis for; water, air and noise
 - Planned and coordinated on-site monitoring process
 - Conducted environmental impact assessment and, self-monitoring consultancy
 - Offered technical assistance/on-site inspection on customers demand
 - Drafted environmental reports and presented to the Albanian Government, for approx. 400 businesses in Albania

- Ensured compliance with the Albanian and European Union standards in force
- Prepared and conducted mitigation plans and risk assessments
- Was an integral part of the research and development of new products team
- Offered technical assistance for Procurement Department

EDUCATION

PHD in Chemistry

University of Tirana, Faculty of Natural Sciences at the Doctoral School - "Chemical Analysis of Matter and Environment"

MSc. - in Chemistry

University of Tirana, Faculty of Natural Sciences - Chemistry Department

B.Sc. - in Chemistry

University of Tirana, Faculty of Natural Sciences - Chemistry Department

TRAINING AND CERTIFICATES

- Nov 09 "HACCP, Training for operators and technicians, in the agro-food sector"
- Oct 14 "Quality Management System Manager UNI EN ISO 9001:2008"
- Jun 16 "Environmental Management System Requirements, UNI EN ISO 14001:2015"
- Feb 18 "New Requirements of ISO 17025:2017"
- May 19 "Enhancement of assessment skills in accordance with ISO / IEC 17025: 2017"
General Accreditation Body of Albania

LANGUAGE SKILLS

- Albanian – Native
- English – Competent
- Italian – Very good

COMPUTER LITERACY AND SOFTWARE PACKAGES

- Very good knowledge of MS office such as Excel, Word, Power Point etc
- LabSolution (Analysis Data System)
- Cartesio (ISO Quality Assurance Management Software)
- Pulsar Analyzer Plus (Noise software)
